2. Take the large square, lay 2 small squares on opposite corners, right sides of fabric together. Draw a diagonal line from one corner to the other on top of the small squares. Pin in place. Sew a scant 1/4 inch seam on both sides of the drawn line. Cut down the center line. Press seam toward the small triangles.

3. Lay 1 small square down on the corner, right sides of fabric together. Draw a diagonal line from one corner to the other. Sew a scant 1/4 inch seam on both sides of the drawn line. Cut down the center and press toward the small triangle. For best results, press with a dry iron. These geese will measure 4 1/2 x 8 1/2 inches. Trim if needed. Set aside.
