

Happy Cloud Quilted Pot Holders

By Andrea Smith of Happy Cloud Creations

Six - 8 inch Finished Blocks Perfect for making Pot Holders!!

Basic Instructions

1. Read all instructions before beginning.
2. All seam allowances are a scant 1/4 inch. A scant is a 1/4 inch seam that includes the width of your needle/thread. It is important to use a scant 1/4 inch seam so all your blocks line up correctly.
3. Pattern assumes most width of fabrics are 42 inches. If you like to prewash your fabric, you will want to purchase 1/4 yard more fabric to account for shrinkage. When you wash cotton fabric it shrinks.
4. Basic sewing, piecing and quilting knowledge needed.

Materials Needed

To make all 6 pot holders with matching fabric (double amounts if making 2 blocks a week)

Color A (Dark Green): 1/4 yard

Color B (Light Purple): 1/4 yard

Color C (Light Green): 1/4 yard

Color D (Dark Purple): 1/3 yard

Binding: 6 - 3 x 42 inch strips (1/2 yard)

Backing: 6 - 9 1/2 x 9 1/2 inch squares (2/3 yard)

Cotton Batting: 6 - 9 1/2 x 9 1/2 inch squares (2/3 yard)

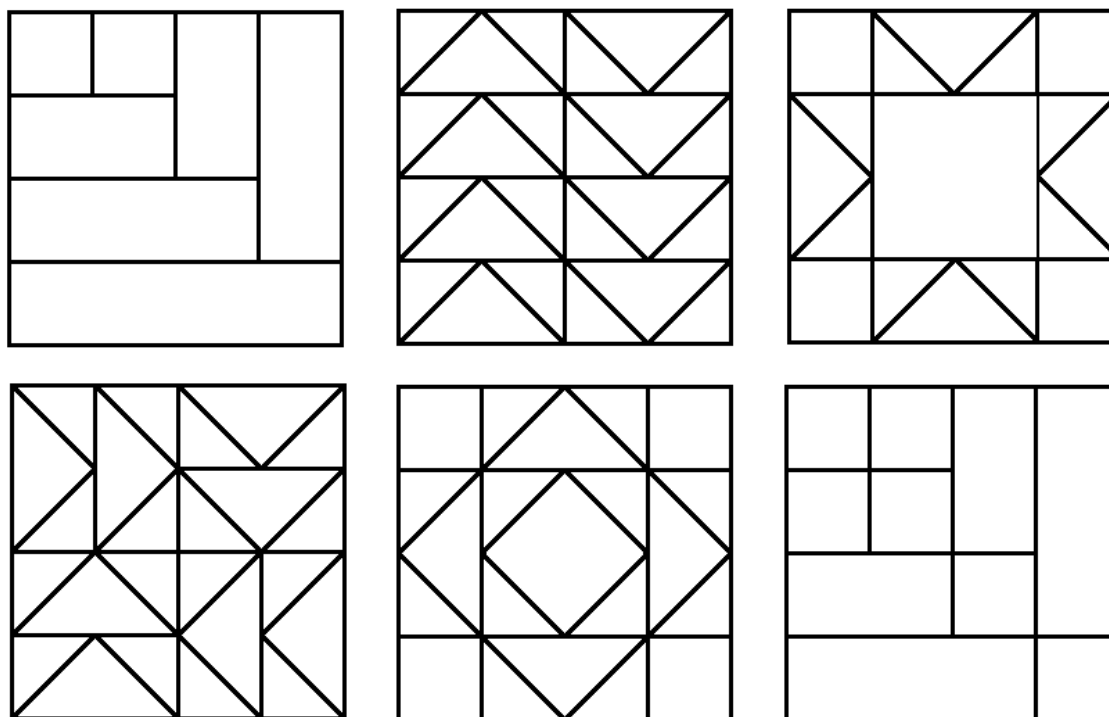

Insula-Bright Batting: 6 - 9 1/2 x 9 1/2 inch squares (2/3 yard)

Cotton thread

Each block uses a very little amount of fabric and not all of the pot holders need to match. This would be a perfect way to use up your scraps!! You could use a Jelly Roll for most blocks. Two blocks need larger pieces.

Use 100% Cotton Materials. If you use polyester fabric, and they catch fire, the fabric will melt. If cotton fabric catches fire it will just smolder.

How to put your Pot Holder together - With Binding method

What you need for ONE Pot holder

Unfinished Block: 1 - 8 1/2 x 8 1/2 inch

Backing Fabric: 1 - 9 1/2 x 9 1/2 inch

Insula-Bright: 1 - 9 1/2 x 9 1/2 inch

Cotton Batting: 1 - 9 1/2 x 9 1/2 inch

Binding: 1 - 3 x 42 inch strip (or 2 3/4 x WOF)

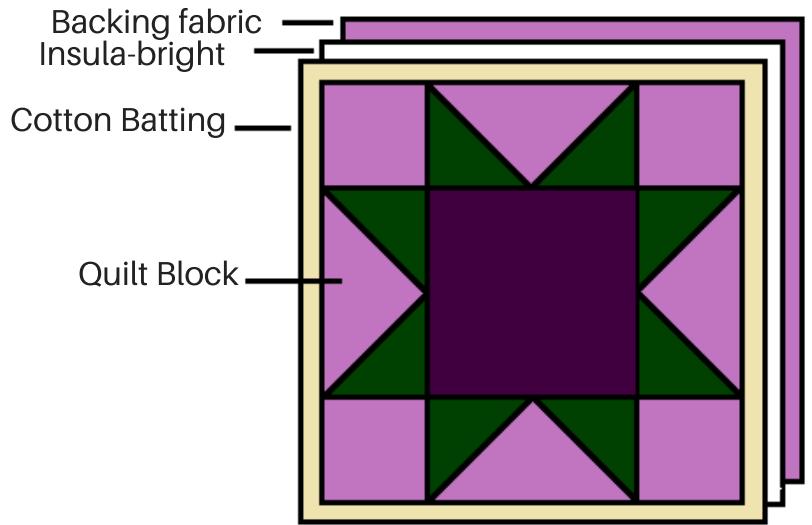

Cotton Thread

1. Make your pot holder sandwich. First lay down your Backing fabric, wrong side facing up. Then lay your Insula bright on. Then lay your Cotton Batting on. Then lay your Quilt block on top, centered. Pin in place.

2. Quilt as desired.

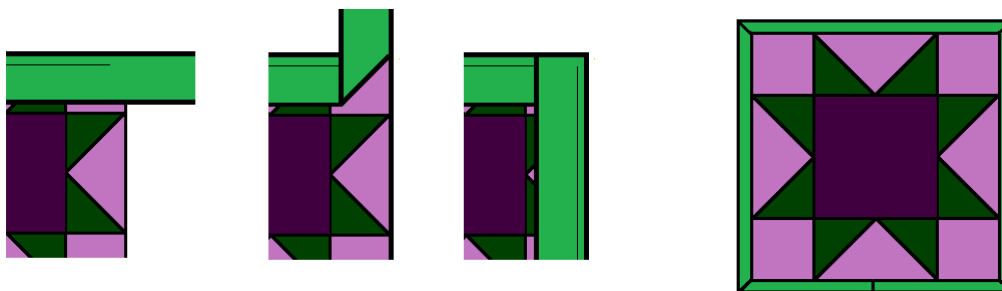

3. Square up your block, trimming off any extra batting and backing fabric.

4. Make your binding by cutting a 3 inch (or 2 3/4 inch) by width of fabric strip. On one end fold in about 1 inch and press. Press wrong sides facing each other. Then fold fabric in half lengthwise, wrong sides together and press flat.

5. Match up raw sides of the binding to the raw sides of the front of the pot holder. Take the binding end with the folded over edge, line up your binding in the center of your pot holder. Start sewing your binding on to the front of the pot holder, one inch in from the folded end, use a 3/8 inch (1/4 inch if you are using a thinner binding) seam allowance. Stop when you are 3/8 inch from the corner, backstitch. Fold your binding up, lining it up with the side of your pot holder, then fold it down to line up with the side of your pot holder. See diagram below. Start sewing 3/8 from the edge. When you have reached the beginning point, trim to correct length, tuck the end of the binding under the beginning of the binding and sew down.

How to put your Pot Holder together - No binding method

What you need for ONE Pot holder

Unfinished Block: 1 - 8 1/2 x 8 1/2 inch

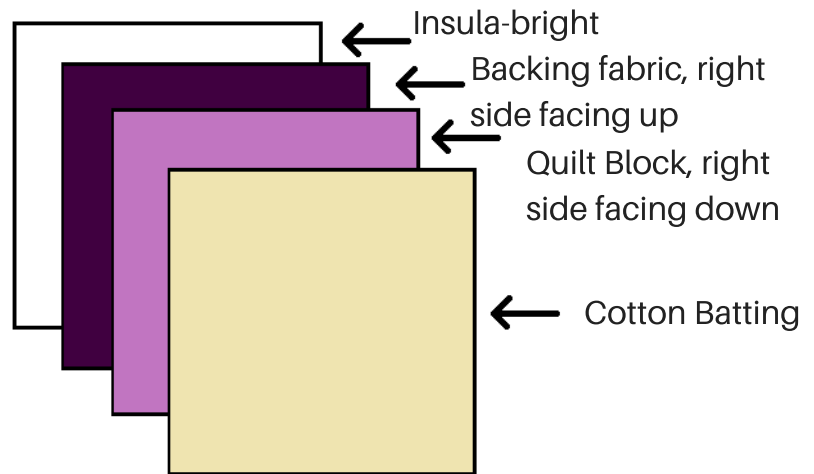

Backing Fabric: 1 - 8 1/2 x 8 1/2 inch

Insula-Bright: 1 - 8 1/2 x 8 1/2 inch

Cotton Batting: 1 - 8 1/2 x 8 1/2 inch

Cotton Thread

1. Make your pot holder sandwich. First lay down your Insula-bright, lay your backing fabric on top of this (right side of fabric facing up), then lay your quilt block down (right side of fabric facing down), and then lay your layer of cotton batting down.

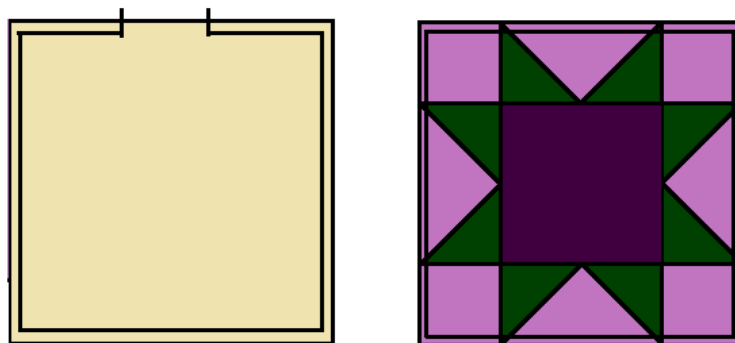

2. Pin all edges. Mark a 1 to 1 1/2 inch spot that you will not sew. Sew around the edge using a 1/4 inch seam. Shown Below.

3. Turn your pot holder right side out, use a dowel to poke out the corners.

4. Hand sew the 1 to 1 1/2 inch opening closed by hand.

5. Flatten your pot holder out. Then with your machine, sew around the edge of the pot holder about 1/4 inch from the edge.
